Principal's Report

- Class of 2016 will be putting in a giant P at the corner of Agard and Orange
- From LCAP meeting, aligning some departments more towards CTE instead of college prep.
- Science will be streamlined into ag and regular science
- LCAP meeting was here at Placer
- 3 pillars-align classes for needs of students, student safety, etc.
- Marijuana use has reached a very high level at all of the schools. Getting very concerning at this point. Looking for ideas as to where kids are going, if we have concerns, please let admin know.
- Trying to increase spirit and inclusiveness for students so they can feel safe.
- Discussion of social norms of Marijuana
- Discussion of drug sniffing dogs
- Discussion of Ed Code, drug offenses, calling police, suspension, and expulsion.
- Jen suggested having a special meeting for parents.
- Judy-challenge kids to ask what is going on on campus, what about pot, etc, easy to get, teacher's don't care. Put together an email for Heather.
- Heather-Pass program starting to be successful.
- Frosh Seminar-at risk incoming 9th graders, work with Mr. Sabins. Only 2 out of the 19 had to go to PASS. District just gave money for kids to have chromebooks for gradechecks, only 19 kids in the class.

Adjournment- Meeting was adjourned at 7:50!!
