MAY

## Message from the Principal

Greetings Hillmen,

Here we are heading in to the last month of the school year and we are busier than ever. We completed for the first time SBAC testing and our juniors performed brilliantly. As many know, we spent five days working out of the large gym for this inaugural testing session, and with the help of school and district staff, the week went smoothly. I would like to especially thank the junior class, who as students, modeled what it means to be a Hillmen. AP Testing began May 4 and run through May 15. For those students testing, please see the counseling office regarding testing location and times. Undergraduate awards will take place on May 20 in the Earl Crabbe Gym during school in an awards assembly. Freshmen, Sophomores, and Juniors will be recognized for their achievement by department, in athletics, and for academic performance (GPA). Seniors will be meeting in the auditorium for Senior Awards presentations during the same time. Invitations will be going out to families of students who are to be recognized. Scholarship Awards Night is being held Wednesday, May 27, beginning at 6:30 p.m. in the Auditorium.

May 1 marked the end of the third grading period. All students will receive their progress report during their 2<sup>nd</sup> period class on Friday, May 8. As always, if you have any questions or concerns, please contact your child's teacher and/or counselor. As we head into the home stretch, please remind your child to keep up with their studies because before you know it, Finals will be here June 3 and 4. As another reminder, tutoring is still offered after school in the library on Tuesdays and Wednesdays, 3 p.m. to 4 p.m.

Placer Spring sports have been enjoying a successful season as many of our teams continue to work hard for a league championship. Most teams are finishing up league play and a few have even begun playoffs. Girls and boys swimming continue to excel in the pool and look towards a great showing at PVL Trials. Girls soccer has secured another league title with a dramatic win over Colfax last week. Boys golf and Coed Tennis finished up top the leader board with first place finishes, and many of their players continuing to post season play. Track and Field is looking to capture yet again a PVL crown and also hopes to send individual performers to the Section meet. The baseball team finished midseason undefeated and then lost a few in a row, but still finished in second place and secured a playoff spot. Softball has enjoyed another great season but has also suffered tough losses in league play in their run for a playoff spot. The boy's volleyball team has played some great matches in their new league this year and are hoping for their first league title.

I would like to take a moment to also recognize a few outstanding teachers on the Placer campus. Social Studies teacher and Placer alum Scott Barry was recognized by Auburn Rotary as teacher of the year. Mr. Barry, along with Rotary student of the year Taylor Heath, will be recognized at a lunch by the Rotarians May 19 for their outstanding work at Placer High. Also, Social Studies teacher Jason Long, English teacher Matt Haydon and Math teacher Dennis Murphy are being recognized as “Teachers Who Make a Difference,” sponsored by ACSA (Association of California School Administrators) for their exemplary work at Placer High. Science teacher Thomas Schroder was recognized by the Auburn Chamber of Commerce as Educator of the Year at a banquet May 2 in recognition of his work at Placer at the Blood Drive he has ran successfully for over 20 years.

Lastly, please note the calendar for May and June as we head into the home stretch. Memorial Day Holiday is celebrated May 25, and there is no school on May 22. All students looking to play sports next year can come for their physical on May 26. This is a free service and is good for all sports next year. Please contact athletic director Mark Lee for further information. Graduation will be held on Saturday, June 6, beginning at 9 a.m. in LeFebvre Stadium.

Sincerely,  
Peter Efstathiou

## Message from the FOPHS Board...

We close the year with many successes but most important was the parent involvement and increase of new parents that stepped up to be a part of the parent organization. We look forward to next year and achieving our fundraising goals to increase membership and monies to support the teacher wish lists, sports, art, welding and much more.

Next year, we are looking for parents to shadow key positions. They work with the current board member to learn and take over in 2016-2017. If you are interested please let us know or come to our meeting on May 18th at 6:30pm in the staff lounge.

We will start the year with some key events to highlight so mark your calendars because we want you there....

## Counseling News for May/June 2015

**Congratulations Class of 2015!** As this is the last newsletter of the school year, the counseling staff would like to congratulate the class of 2015 and wish them the best as they embark on the next stage of their lives. Graduation Practice is on Friday, June 5<sup>th</sup>. Graduation will be held on Saturday, June 6<sup>th</sup> beginning at 9:00a.m. in the stadium. Graduates must report to the E.C. Gym at 8:00a.m.

**Senior Survey:** All Seniors are required to fill out the 2015 Senior Survey online. It can be found on the Placer High homepage and on the PHS counseling page. It only takes a few minutes and students will not be cleared for graduation until it is filled out and submitted.

**Final Transcripts:** On the Senior Check Out Form (handed out on June 4) there is a spot where students can indicate where a Final Transcript should be sent. All seniors who are going on to a 4-year college in the fall must have their final transcript sent to the college. We do not automatically send a final transcript unless you indicate it on the Senior Check Out Form. Failure to do so could jeopardize your acceptance and/or prevent registration for fall classes.

**Summer School:** Placer School for Adults is offering a three week credit recovery program for incoming juniors, incoming seniors and non-graduating 2015 seniors. Students can earn up to 10 credits. The courses available are English, Government, Economics, U.S. History, World History, Health, Tech Essentials, Life Science and Physical Science. Classes will be held Monday through Thursday, June 8 to June 25 with a choice of two morning sessions: 8:00 – 10:00 or 10:00 – 12:00. Students should meet with their counselor as soon as possible to get the registration information. Students and parents must attend a mandatory orientation at the Placer School for Adults Office, 390 Finley Street on Friday, June 5 3:30 – 5:30pm. Completed registration form must be turned in at the orientation meeting. Students should see their counselor if they have any questions.

**Academic and Department Recognition Awards:** At these events, academic achievements for Honors, High Honors and Scholar (GPA 4.0+), athletic achievements, and departmental recognitions will be presented. The awards ceremonies will be held on Wednesday, May 20<sup>th</sup> at 10:40am. The awards for 9<sup>th</sup>, 10<sup>th</sup> and 11<sup>th</sup> Grade students will be presented in the Earl Crabbe Gym and the awards for seniors will be presented in the auditorium.

**Senior Scholarship Award Night** will be held on Wednesday, May 27<sup>th</sup> at 6:30 pm in the auditorium. This event celebrates seniors who have received school, community, and college scholarships. To assist us in recognizing these accomplishments, we ask that seniors bring copies of their private or institutional scholarship letters to the counseling office, so we can include them in the event's program. This includes any college specific awards that students have received. This should be turned into the counseling office no later than May 15.

**University Bound Juniors:** Now is the time to take the SAT or ACT tests for juniors who are planning to attend a 4-year college upon graduation from PHS. There are only two test dates left for this spring. There is a June 6<sup>th</sup> SAT (deadline is May 8). Register online at collegeboard.com. There is also an ACT testing date on June 13<sup>th</sup> (regular deadline is May 8).

## Testing Dates-AP, SAT, ACT

Register online at [act.org](http://act.org). By taking the tests now, students will have the option of re-testing in early fall to improve scores.

**Sierra College:** Seniors who plan on attending Sierra College next fall can still apply. Just go to the Placer High website, select “Counseling” and then select “Applying to Sierra College” (on the left-hand side under Navigation). Students must apply, complete online orientation, take assessments and meet with a counselor before they can select classes. The first day of online class selection for new students is April 28. Students should see their counseling if they have questions.

**AP Tests:** Advanced Placement Testing begins on May 4 – May 14. Students who will be taking the test will be given reminders with their designated site for testing as well as information on what to bring to the testing site. There also will be rosters located in the AP teacher’s classroom. See the testing schedule below.
